

Millstone 100 Rye

50%

The IMAX of rye. Zuidam Distillers seem to have intensified every aspect of this small batch 100% rye. The plum is fresher, juicier even, the spices more assertive.

There's more creaminess, fruit skin piquancy, slabs of chocolate, allspice, ground cinnamon, and a greater rye character by far. This thumps the tongue hard, delivering quite an experience. In submission, with gums zinging, the unrepentant finish goes on forever.
