46%

Green herb notes, vanilla, green melon, Quaker oats, toasted cumin, and cardamom. This is a light, golden whisky replete with vanilla and raspberry notes. Ripe and dried red fruits are balanced with clove and pepper. A good all-rounder, with a finish of active spices, vanilla pod, and a few oak char notes. Warengem Distillery will release this whisky in limited quantities annually until it's permanently available. (2,000 bottles; 60 for U.S.)
