

Eifel German Rye

46%

A dark amber dram made from 90% rye yields a nose of chestnuts, mushroom consommé, earthiness, nutmeg, and clove.

Dark berries dominate, with bramble, crème de cassis, black cherry, plum, and mixed peel, then chocolate, cinnamon, and nutmeg—a great autumnal dram after an invigorating walk in the countryside. Unique and confident whisky with an inky blue-fruit finish matched with dry and gentle spiciness. (3,000 bottles)
