Jaffa orange, flowers, hard  
candies, rose water, and light  
spices make a rather muted  
offering. Fortunately there's a  
sweet, malty mouthful of fudge,  
orange shred, gingerbread, and  
candied orange slices, with a  
nibble of peppercorn spices and a  
finish of clove-studded orange.  
Tasty and well-balanced, salvaging  
the less than inspiring nose.
