

**Kaiyo Mizunara Oak
The Peated (2nd
Edition)**

46%

This is utterly unique; made from imported Scottish peated malt, it spends 2 years in madeira casks, then 6 years in mizunara casks.

Light, clean, fruity refreshment: apple, white grape, lingering cigar smoke, coconut macaroons, and ample Japanese oak influence.

Apple and watermelon flavors, developing a more sugary fruitiness of Life Savers hard candy, all brushed with gentle spice and a swish of smoke.
