

**Jameson Caskmates**  
**KelSo Pale Ale Edition**  
**40%**

Of all the Caskmates, this edition representing Brooklyn is more complex, and offers a greater balance between the fruit and pot still spices than all the rest. There are bright floral notes, citrus, dry spices, and roasted barley—everything in perfect harmony. Clementine, honey, nuts, tropical fruit, a few savory elements, with finely ground spices fizzling away under waves of citrus fruit, candied peel, and flakes of chocolate.
