

**Jameson Caskmates  
Great Divide Brewing  
Co. Edition**

**40%**

The association with this Denver brewery has produced a whisky redolent of crabapple, tinned peach, leather bootstraps, vanilla pod, roasted malt, and spices left to blacken in the pan. This is a scrumptious whisky layered with mixed citrus, honey, shortbread, and lashings of vanilla creaminess.

The clove, ground ginger, and black pepper lay down a solid foundation, superimposed with oak char and black coffee grounds in the latter stages.

—Vol. 28, #2
