

**Seven Stills Patience  
Single Pot Still-Style  
American Whiskey**

**59.5%**

Waxy and fragrant, with citrus oil, tea bag, furniture polish, dried flowers, cooked apple, and malt. At this proof, the palate demands water, which tames its heat to reveal candied rose petal, dried ginger, apple, almond, pistachio, lemon pepper, pine resin, and some ashiness. It finishes waxy, with charred pecans, cigar end, bitter oak, and black pepper.

There are some unusual juxtapositions here, but they work.
