

**Gordon & MacPhail
Private Collection 1948
(distilled at Glen Grant**

Cask 2154), 48.6%

Smoky sherry, damp burlap, lanolin, then orange blossom on the nose, with a hint of glass cleaner. The palate yields juicy damsons, followed by aniseed, bitter chocolate, and oak tannins.

Char and faint smoke in the extremely long finish. (50 bottles in U.S.)
