

Booker's 2019-02 "Shiny Barrel Batch" **Kentucky Straight** Bourbon

62%A pleasant, citrusy note of orange blossom on the nose, followed by licorice, dark cherry, cinnamon, and dusty oak. The palate is rich, mouth-filling and jammy, offering flavors of orange marmalade, sweet vanilla, maple syrup, French toast and strawberry jam. The finish is sweet corn, a reprise of orange, as well as vanilla, spice, and light tobacco. A robust bourbon (ice or water recommended) that's subtle at the same time.
