Using six of the distillery's ten recipes, including the V yeast strain that imparts delicate fruit notes—here presenting as Pixy Stix, Rocket Pops, and cherry pie—and the F yeast strain that offers herbal notes, like licorice root, earthy tea leaf, and root beer. There's also orange blossom, pecans, cedar chest, and tobacco.

Aromas and flavors unfold in layers, with rich oak, roasted pecans, and vanilla whipped cream juxtaposed against peppery spice, blueberry-cinnamon crumble, and sweet tea. Water reveals new depths.
