

**Kentucky Peerless  
Straight Bourbon**

**54.9%**

An herbal nose of thyme, dill, and licorice underpinning notes of blueberry jam, cherries, chocolate, honey-roasted nuts, and old leather. The palate is full and creamy, with milk chocolate, cinnamon, blackberry, toasted almond, dried herbs, and oak. Water brings out more chocolate and spicy heat. A long finish of oak, almond, chocolate, and cracked pepper, with a tobacco overlay. A big, robust bourbon with plenty to like.
