Ground cinnamon, coriander seed, nutmeg, mustard seed, spiced meat, and the saltiness of sand-encrusted seashells combine with a powerful honey note, fresh pear, golden sultana, and Cox's apple. Quaker Oats, golden syrup, and chocolate-covered graham crackers with cherries set the scene, though spices quickly engulf them. Perfect harmony is reestablished as it fattens out with cinnamon toffee. Bold, robust, and triumphant: just add a Dublin pub weekend crowd and you're all set.
