

Teerenpeli Portti Single 

Malt
43%

This impressive whisky lets the port lead the dance, but never treads on the toes of its partner. The nose reveals prominent cask influences of pomegranate, inky plum flesh, blackberry, and gummy cherries, with a supporting cast of honeycomb, dried herbs, and bay leaf. It jinks and dodges between dried peel, fudge, baked orange, vanilla, and fine spice notes before developing into a sweet ripe cherry and red apple finale.

—Vol. 28, #3
