

Shelter Point Double Barrel Single Malt

50%

Two-row barley grown on the distillery farm yields a glorious dram, with berries instantly on the nose accompanying fragrant dry hay. The sweet fruitiness of the nose becomes clear overtones of wild Vancouver Island blackberries on the palate. This is big whisky, with exotic fruits, hot spices, and nutty, grainy marzipan notes.

Restrained oak allows fruits and spices to shine. Slowly, a lingering spicy finish turns sweet and fruity.
