

Gooderham & Worts 49 Wellington Blended

49%

This blend of rye, barley, corn, and wheat whiskies starts big on the nose with caramel-donut glaze that dissolves into buckwheat honey, then sweet orange marmalade. Spices are ever-present, but restrained, while a creamy sweet breadiness prevails throughout. Cereal notes on the palate are awash in honey sweetness. A soft yet tightly integrated whisky with depth and complexity. 100 CAD
