

Duke Kentucky Straight 

44%

A nose of cinnamon Red Hots and spiced oak, with eucalyptus, cracked pepper, herbaceousness, and minerality. The palate is somewhat hot, offering pepper spice and oak tannins, but soft in texture, with notes of vanilla pastry, strawberry shortcake, raspberry jam, baking spices, and roasted nuts. Water adds more nuttiness, as well as dark chocolate. A smooth finish of dark chocolate, spice, and tobacco. Somewhat oak forward, but showing good maturity.
