The nose is unorthodox, but not unpleasant. Herbal, with notes of dill and potpourri, with licorice, figs, coconut, and brown sugar following. The palate comes into focus with traditional flavors of fragrant vanilla, marshmallow, and bubble gum, as well as coconut, chocolate-covered almonds, popcorn, and pepper spice. The finish is lengthy, presenting baking spice, cracked pepper, and polished oak. Unusual in profile, but combining bitter herbal notes with very traditional flavors.
