

Dry Fly Straight Wheat

45%

A fragrant nose offers scents of orange blossom, cinnamon, lemon peel, vanilla, and balanced oak.

The palate has a drier orange peel note, as well as peanut shells, cinnamon, ginger, and bitter chocolate. Quite dry on the back palate, where the wood influence becomes much more prominent.

The finish is light, with bitter chocolate, some nuttiness, tobacco, dried herbs, and drying oak. Pleasant spiciness, cinnamon, and citrus overall.
