

**New Holland Beer  
Barrel-Finished  
Bourbon**

**40%**

Aromatic and expressive on the nose, with grapefruit, lemon, and orange peels, kiwi, green apple Hi-Chew, melon, and a hint of pine and dried leaves. The palate is light-bodied and clean, with citrus peel, melon, soft spice, sarsaparilla, and milk chocolate. It finishes short and gentle, but tasty, with candied rose petal, dried kiwi, and grape Fun Dip. While many beer-barrel finishes come on too strong, this one succeeds with subtlety.

—Vol. 28, #3
