

Gordon & MacPhail
(distilled at Mortlach)
11 year old, 1993 vintage,
60.7%

Full-flavored, confident, and very dynamic. Bright fruit, teasing toffee, complex spices, cereal grain, and underlying light leather notes are all tightly integrated. Think an 11 year old whisky can't be mature or complex? Think again! A Speyside powerhouse! (Available in the Chicago area.)
