

Jack Daniel's No. 27

Gold

40%

Like opening a lunchbox in elementary school: you'll find the distinct aromas of peanut butter sandwich with strawberry jam and a smear of Marshmallow Fluff, plus a Little Debbie Oatmeal Cream Pie, and some apple blossom and tea rose. Soft and sweet in the mouth, with plenty of fruit and flowers: banana split topped with crushed pistachios, rose oil, white chocolate, halva. This whiskey is finished in charred maple barrels and undergoes a second filtration with the Lincoln County Process.
