

**Ohishi Sakura Cask Rice Whisky (2019 Release)** 

**43.6%**

Rich amber in color, with aromas of fermented fruits, toasted oak, apple peelings, old parchment paper, golden pancakes, and bright aromatic chili flakes and paprika. A soft, gentle dram that caresses the taste buds with caramelized brown sugar, fudge, vanilla, dried apple, ground almond, and a tang of citrus peel. On the finish, the flavor of apple peelings returns after a brief glow of spice. (1,475 bottles)
