

**Spirit Hound Colorado
Honey Malt (Barrel No.
4)
45%**

Straight malt whiskey finished in barrels that previously held honey. The nose is enchanting, perfumy with fresh flowers, bubble gum, cinnamon-dusted apple slices, pink peppercorn, sassafras, and salt water taffy. The honey-barrel finish shows itself on the palate, which has milk chocolate, sugary chai, lemon, molasses, pralines, and, of course, unctuous honey. So syrupy and sweet, it truly gives new meaning to "dessert whiskey."
