

**Berry Bros. & Rudd 21 year old Perspective Series**

**43%**

The youngest in an excellent new range that combines small-batch blending by Doug Mclvor with dramatic monochrome Scottish landscape photography by Lindsay Robertson, each image a visual metaphor for the whisky. Toffee, cherry, rich fruit, walnut, marmalade, vanilla essence, ripe banana, seasoned oak, and aromatic whole spices. The palate is charming and indulgent with rich fruitcake, banoffee pie, a good dose of spice, and a silky finish.
