

anCnoc 18 year old
46%

This whisky spends 15 to 16 years in bourbon barrels before a final maturation in oloroso sherry casks. The nose is sweet, with tropical fruits, nutty spices, almonds, orange marmalade, and worn leather. The orange theme continues on the luscious, lively palate, with spicy toffee, cinnamon, vanilla, and honey. Drying and lightly spiced in the finish. A dram that deserves to be better known. *Editors' Choice*
