The loveliest qualities of wheat grain are present in this delicate whiskey. It starts off with banana-nut muffin, orange Creamsicle, toasted wood, lemongrass, and bubble gum on the nose. The palate has a simplicity that's well-executed: orange oil, toasted Popsicle stick, roasted nuts, and a full complement of oak spices. It finishes clean and satisfying, with chocolate, cinnamon, white pepper, and pecans. The definition of easy-drinking. *Best Values*
