

**Old Forester Birthday  
Kentucky Straight  
(2019 Release)**

**52.5%**

Elegant and supple, as befits a whiskey aged 11 years. The maturity shows on the nose, which has Concord grape skins, leather, sassafras, iced tea, chocolate, pecans, and varnish. Big dark fruit flavors, cola spices, ginger, cooked cherries, dark chocolate, and generous oak; a touch of water brings out pecans. The lengthy finish draws out cola, dark chocolate, leather, and pepper. Sip slowly; it continues to evolve in the glass. (13,200 bottles)
