

Glenlivet Enigma

60.6%

Part of Glenlivet's mystery series, the concept is to have drinkers form their impressions with no information about the whisky's age or cask maturation, although those details will be revealed at year's end. The nose has notes of lemon curd, melon, fresh peaches, bitter orange, and baked apples. A nimble, creamy palate offers marshmallow, toasted almond, marzipan, and lemon iced tea. The finish has length and vibrance, with crème brûlée, cinnamon, and a tropical note. A delicate, enchanting whisky.
