

Scott's Selection
(distilled at 'North of
Scotland

'1 1963, 46.8%

Antique gold. Thought-provoking aromas and flavors of molasses, leather, vanilla, and wood spices, with a hint of bourbon and rum.

Light to medium in body. Given that this whisky is so mature and rather light in body, it has held up very well-the woody dryness is balanced nicely by the sweetness of the grain.

—Vol. 10, #3
