

Glenlivet 14 year old Cognac Cask Selection

40%

This U.S.-exclusive release was initially aged in first-fill American oak sherry casks before a period of finishing in cognac casks. Spicy red wine notes on the notably aromatic nose, with vanilla and light cinnamon. Good texture in the mouth, sweet, and very approachable, with tangerines, toffee, dates, sultanas, and milk chocolate. Liqueur chocolates in the smooth, lengthy finish. Not overly complex, but robust and extremely drinkable.

—Vol. 28, #4
