

## **Johnnie Walker Black Label Lowlands Origin**

**42%**

This Glenkinchie malt and Cameronbridge grain blend highlights the vanilla character of Black Label with a nose of green apple, dry grasses, vanilla toffee, peach pit, and banana custard, with subtle hints of oak and spice. The mouthfeel is light with green apple and candied lemon, growing fruitier with boiled candies and a hint of creaminess, all held in check by the spice. Grassy finish with a hefty backdraft of spice.
