

Bruichladdich Bere
Barley 2010
50%

This 8 year old was distilled using Bere barley, a low-yielding heritage strain grown on the Orkney Islands. Aromas of a damp cellar; oily, nutty, with cereal, burlap, and mild orchard fruit notes. The palate is persistently oily, with pineapple, honey, nutmeg, and white pepper. Drying in the finish, with licorice, coal, and strong black tea. Proof that barley varieties can make a difference. (18,000 bottles; individual reviewer rating: 92)
