

Heaven Hill 7 year old Bottled in Bond

50%

Sticky Cracker Jack, butterscotch pudding, candy corn, fresh-sawn oak, and peanut butter-stuffed pretzels on the nose lead to a palate that explodes with sweet candied nuts, grape jam, citrus peel, clove, and white pepper spice. The full body, slick buttery texture, and perfect proof let the finish really roll along nicely, with the oak seamlessly integrated and finely tuned. This is bold, lively, and flavor-packed!
