

**Tumblin' Dice Straight Bourbon**

**50%**

This is a bold whiskey that meanders leisurely through a lot of flavor territory. The sweet aromas span toasted coconut, nougat, and marzipan, coupled with distinctive meaty smoked bacon and cherry cough drop notes. Cherry and red berry fruit also string through the palate, with bright citrus, chili-pepper honey, and flickers of spice—allspice and clove—dancing through the sweetness on a long finish.
