

WhistlePig FarmStock Rye (Crop 003)

43%

A puzzling whiskey, with golden raisin and treacle aromas, as well as cereal and butternut squash. The palate is dry and herbal, with faint hints of vinous fruit, herbs and spices, and plenty of oak. It finishes short, with almond, chocolate, and amaro-like herbaceousness. The third batch of FarmStock, this includes 52% WhistlePig's own 3 year old rye, along with 31% 6 year old rye from MGP and 17% 10 year old rye from Alberta Distillers.
