

### **Corsair Oatrage American Whiskey**

**50%**

The mashbill consists of 51% malted oats, 27% 6-row malted barley, and 22% coffee malt. The nose is malty, bitter, and nutty, offering fragrances of burnt coffee beans and mocha, with undertones of blackberry compote. A bitter yet delicious palate brings more burnt coffee beans, chili pepper, smoked meat, toasty oatmeal, and dark chocolate. A lengthy finish reprises those notes, adding orange and strawberry when water is added. Dares to be different and succeeds magnificently—expressive and mouthwatering.

—Vol. 28, #4
