

O'Danaghers 5 year old American Hibernian Single Barrel Whiskey 
45%

The mashbill for this single pot still-style whiskey from Dry Fly Distilling contains oats, along with wheat and malted and unmalted barley. The delicate nose has pistachio pudding, carob chips, dried flowers, iced tea, white pepper, allspice, and almond nougat. It's led by oak on the palate, but add a few drops of water and cherries, berries, candied violets, almonds, pistachios, semi-sweet chocolate, and gentle spices reveal themselves. Saving the best for last, it finishes with cooked dark fruits, varnish, and leathery oak.

(250 bottles)

—Vol. 28, #4
