

Fukano 10 year old Rice Whisky

40.2%

Ice cream cone, vanilla, and white chocolate, with a twist of orange peel. The new and refill American and European oak casks give this a soft, milky comforting nose. The medium-weight palate includes light fudge, vanilla, and green fruits with spices on the fringes and a glowing orange core developing over time. A sweet, creamy finish with a hint of spice.

This will win you over with its effortless charm. (1,800 bottles)
