

Adnams Single Malt

40%

A heady mix of floral notes and soft fruits, with fresh cereal notes and aromas of sweet pea, orange honey, apricot, and papaya on this French oak-matured whisky. This begins gracefully as a soft, creamy single malt with flavors of vanilla caramel and condensed milk, becoming denser with scrumptious biscuit and chocolate flavors (think Twix bars) as it slowly reveals its secrets.

—Vol. 28, #4
