

**Penderyn Rich Oak
Single Malt**

46%

Chocolate, rich berry fruit, honeydew, green grape, oat cookies, dark toffee, and oak spices on the nose. Flavors of chocolate flakes, Oreo, cinnamon, malt, and hazelnut, with a concentration of spices on the tip of the tongue, before a flavorsome finish of Hershey bars. It's delicious and well-made, but occupies a very specific place on the flavor spectrum, so one to try before you buy. (792 bottles for U.S.)
