

Two Brewers Special Finishes Release 15

43%

Canada's Yukon Territory, with its wolves, bears, and numbing cold, does not evoke images of fine single malts. Nosing the dark fruit and malty goodness of Two Brewers whiskies corrects that misconception. Complex tobacco, sweet dark chocolate, red wine, and halva become vaguely tannic barrel tones and searing spices cushioned in sweet canned fruit and cream. Malt melds into Band-Aid and dry grain. Artfully balanced complexity. \$98 CAD
