

Octomore 10.1

59.8%

Distilled in 2013 from Scottish barley, this 107 ppm 5 year old was matured entirely in first-fill American oak casks. Quite elemental on the nose, with brine, rock pool, and cigarette ash aromas, plus ginger and an ultimate hint of nougat. Peaches on the palate, with lively spices, roasted nuts, oak, and dark peat. The finish features licorice, overt peat, and black pepper. (42,000 bottles)

—Vol. 28, #4
