

Bardstown Bourbon Co.
Copper & Kings Apple
Brandy Barrel-Finished
Bourbon 60.20%

Aromas of corn meal, corn muffins, and buttered toast on the nose, along with vanilla frosting, warm raspberry tart, nuttiness, and polished oak. A big palate offers baking spice, vanilla ice cream, blackberries, and coconut shavings. A long finish of rich caramel, chocolate, cracked pepper, and roasted coffee beans, is completed by a final note of cigar ash. Warm and inviting, as the sweetness melds gracefully with dark fruit and spice.
