European Oak Single  
Malt (Barrel #16009)**

**64.1%**

Marrying fruit and pastry aromas, the first whiff brings angel food cake topped with strawberries, which soon develop into a jammier presentation. There are also notes of mango, pineapple, and guava, along with currants, dried chile, dry oak, and caramel. On the palate, strawberry jam and sweet mango balance out chewy oak, chile heat, mocha, and rich spice, sliding into a wave of spice, tropical fruit, smoked almonds, and cocoa powder on the finish.
