

**Raasay While We Wait
(2018 Release)**

46%

The latest While We Wait bottling comprises a mix of peated and unpeated whisky from an undisclosed distillery, finished in French oak Tuscan wine casks. Fragrant on the nose, with freshly mown hay, gentle smoke, berries, honey, and hot chocolate. Apricots and red wine on the palate, with vanilla and dried fruits, against a backdrop of singed woodsmoke. Nutty and oaky in the slightly oily finish. (10,000 bottles)
