Kentucky Straight
Bourbon**

57%

Fragrant lemon and dried herbs on the nose, along with a sprinkling of powdered sugar and a hint of licorice. The palate offers deep notes of blackberry compote, tiramisu, and milk chocolate, all underpinned by earthy tones of cedar and polished oak. A rich symphony of flavor punctuates the long, impressive finish—mocha, almond, and cooked dark fruit, draped in notes of gooey caramel and pepper spice, set against balanced oak.
