

**High West American
Prairie Blend of
Straight Bourbons
(Batch 19A23)**

46%

Minty and herbal on the nose, with notes of fresh oak, licorice, apricots, brown sugar, dried apples, orange peel, peaches, light coconut, ginger, and dried leaves. The palate is sweet up front, with a complex melding of butterscotch, spicy oak, orange slices, and chocolate fudge. The finish offers lots of spice, black pepper, bitter chocolate, and a pleasant note of almond nuttiness. A well-textured whiskey, with lots of spice and heat.

—Vol. 29, #1
