

Glendalough Single Cask Pot Still (Batch 1)

43%

Hawthorn, apple, caramel, ground almond, shortbread, and finely ground pepper on an alluring nose.

Gentle, creamy mouthfeel with caramel, dried apple, a moderate attack of clove and pepper, and a finish of mild spices and bakery treats. Irish oak-finished whiskeys are a rare occurrence, making this a good stepping-stone into the category, though it's mellow by pot still standards. (10,500 bottles for U.S.)
