

**Talisker Distillery
Exclusive (2019
Release)**

48%

Initial maturation of this expression took place in refill casks, followed by heavily charred American oak hogsheads, and finally European oak puncheons. The nose is relatively light, fruit-forward, slightly floral, spicy, and mildly ashy. Citrus fruits and sweet peat smoke on the palate, with fruit and oak spices. Orchard fruits in the finish, with just a hint of classic Talisker pepper. (6,000 bottles; distillery only) (£95)

—Vol. 29, #1
